About Missouri — The Legacy Architect

Missouri is a visionary creator, cultural leader, and **Legacy Architect** whose life's work is devoted to building impact that endures beyond a single moment or generation. Raised in Newark, New Jersey, her journey began through fashion—using style as her first language of expression, confidence, and transformation long before she fully understood its power.

Growing up in Newark, Missouri learned that fashion was more than clothing—it was identity, presence, and survival. What began as designing, styling, and reimagining what was possible within her surroundings became the foundation for a lifelong mission: to use creativity as a tool for empowerment and legacy-building.

As a fashion designer, producer, author, breast cancer survivor, and empowerment strategist, Missouri has spent decades transforming lived experience into platforms that uplift, heal, and inspire. She does not simply create garments, events, or stories—she architects experiences that honor resilience, elevate voices, and connect past, present, and future.

Through fashion, storytelling, live production, and community-centered initiatives, Missouri creates spaces where individuals—especially women and youth—are seen, celebrated, and encouraged to rise. Her work reflects a belief that style carries story, and when rooted in purpose, becomes a blueprint for generational impact.

As **The Legacy Architect**, Missouri is committed to designing systems, narratives, and experiences that outlive her—where dreams born in Newark, New Jersey become legacies that inspire generations globally.

Nominate:
Thriving Breast Cancer Survivors; Ada Award
Recipients; Women Legacy Award

“Good evening, beautiful people.

Tonight is more than an event—it is a moment where courage meets celebration, and every heartbeat honors the lives that inspire us.

To God whom is the source of my life, my mother for being the force and my children for being the wind beneath my wings.

*To our **honorees**—you are the reason we are here.*

Your journeys are testimonies of strength, survival, and purpose. Whether you are a Breast Cancer Survivor, an Ada Award recipient, or a Women Legacy Award honoree—you are the light that refuses to dim.

*To our **sponsors and donors**—thank you.*

Your generosity does more than support a gala; it breathes life into women seeking safety, healing, and a new beginning. Your belief becomes possibility.

*And to our **guests**—your presence tonight is a declaration: that you believe in this mission, that you honor these women, and that you stand on the side of hope . . . “*

STYLETAINMENT

The Show

A Cancer Survivor's Story!

STYLETAINMENT The Show, A Cancer Survivor's Story, is an electrifying theatrical stage production that seamlessly blends fashion, dance, music, and technology into a one-of-a-kind experience.

STYLETAINMENT

Choreographer

Kyra Shanae, raised in Somerset, NJ, has been performing since she was a little girl, from pageants to fashion shows and billboard Ads. She is a Graduate of Hampton University and she is also a Producer, Choreographer and Cast Member for STYLETAINMENT.

"Bringing my mother's vision and designs to life onstage is quite amazing. My favorite scene is All About Me and probably not for the reasons you are thinking. Yes, it is super fun to twirl and whip those capes around. Yes, I love the reaction we get from the crowd whenever, wherever we performed that scene. Yes, the colors are so vibrant it makes me smile every time I see them fly in the air. However, none of those reasons are why it is my favorite. It is my favorite because it has a significant meaning to my mom. You see, back in the '80s before The Show, before cancer, even before me, my mom traveled and made a living off of 7 CAPES, very similar to what you see today. She had the vision then but got sidetracked with life and kids. Performing All About Me today just feels like I am picking up where she left off. It's as if no time has passed and we don't plan on stopping anytime soon!"

A portrait of Kyra Shanae, a woman with dark hair, wearing a light blue jacket and large hoop earrings, resting her chin on her hand.

The Generational Legacy Impact (GLI) Experience is a transformative, step-by-step workshop and coaching journey designed to help individuals rediscover who they are, heal through reflection, and activate a legacy that lives through them daily—and long beyond their lifetime. Created by Missouri, The Legacy Architect, the GLI Experience weaves together legacy-building, personal development, and purpose-driven leadership into one intentional, life-shifting program. At its core, GLI empowers participants to align their values with their voice, take bold action toward their generational purpose, and live with healing, wholeness, and clarity—intentionally shaping a legacy that impacts lives for generations to come.

Thank you for taking the time to review my Professional Brand Portfolio.

Every vision shared here represents more than work—it reflects purpose, resilience, and a commitment to creating experiences that inspire, empower, and leave a lasting legacy.

I look forward to the opportunity to collaborate, create impact, and build something meaningful together.

With gratitude,

MISSOURI
